Career Summary

Mary Ellen currently serves as Vice President of Client Development for Experienced Resources, utilizing her experience as a health care leader to help match client needs with the appropriate leadership talent. For the last 27 years, Mary Ellen spent her career in the Minnesota health care industry in the following roles:

- Administrative Fellow, Assistant Administrator, Associate Administrator, University of Minnesota Hospitals and Clinics
- President, Buffalo Hospital and Vice President, Allina Health System. During this time Mary Ellen also served as:
 - Interim President, Owatonna Hospital
 - Interim President, Long Prairie Memorial Hospital
 - Interim President, River Falls Hospital
- Vice President, Minneapolis Heart Institute, Abbott Northwestern
- Vice President, Allina Cardiovascular Services
- President and CEO, Hutchinson Area Health Care

Professional Activities

Mary Ellen is a Fellow in the American College of Healthcare Executives and currently serves as an at-large board member of the University of Minnesota's Master of Healthcare Administration (MHA) Alumni Association/Foundation. In 1999, Mary Ellen received the Minnesota Hospital Association's first Stephen Rogness Distinguished Service Award.

Volunteer Activities

Mary Ellen has been involved in several community and educational volunteer efforts over the years, including serving on several boards and foundations that support nonprofit agencies. Her current passion is chairing the capital campaign to build a Hospice House in Wright County. Mary Ellen has been active in several Rotary Clubs, and is a member of the Buffalo Rotary.

Education
